Comment:

Thank you for consulting Theatres Trust on this application for listed building consent at the Dominion Theatre, which seeks to undertake cleaning of the Portland stone to the theatre's front (Tottenham Court Road) elevation.

The applicant has provided photographs showing areas where tests have been carried out, which also helps demonstrate the need and benefit for this work to be undertaken. A method statement has also been submitted.

We welcome that the applicant is seeking to invest in the maintenance and upkeep of their building, helping to conserve it into the future. They were working with a reputable and experienced contractor.

We therefore support the granting of listed building consent.

Please contact us if we may be of further assistance or should you wish to discuss this representation in greater detail.
